

BECAUSE NON-CUTTING IS THE SAFEST™

Park Avenue LASEK is happy to offer you our Corporate Discount Program, where all your employees (and their immediate family members) will receive a free upgrade to lifetime warranty (worth \$1000 without this plan) for their more modern, safer, non-cutting, all-laser LASEK laser vision correction.

Dear Human Resources Department,

Many companies and unions such as yours would like to offer their employees a Laser Vision Correction benefit – and that possibility is here!

Many other prominent companies have been approved for our Corporate Discount Program, including AXA, Condé Nast, American Express Travel Service, BNP Paribas Bank, Steve Madden, Marsh & McLennan, and Credit Suisse among others. Fortune 500 companies like the ones above would only partner with equally respectable companies and we want to assure you that we are at the top of our field!

Our lead surgeon, Emil W. Chynn, MD is the best-trained and most-experienced LASEK surgeon in NYC, with a medical degree from Columbia University, ophthalmology residency from Harvard, and over 30,000 procedures performed.

Dr. Chynn was the 1st LASIK surgeon in NYC to have LASIK himself and has made his entire staff better than 20/20 after the newest bladeless, all laser, no-cut LASEK procedure! He is the only high-volume LASEK surgeon in NYC with a Perfect Track Record (100% legal to drive; 0 lawsuits)! For more information about our center and Dr. Chynn, visit our website www.ParkAvenueLASEK.com.

All you have to do is disseminate this Corporate Discount for Laser Vision Correction through your regular channels (e.g., email, company website, intranet, flyers, HR benefits brochure/package, etc.) so that all your employees know about us - that's it!

Congratulations on taking the first step towards helping your co-workers see clearly without glasses or contacts — at an incredibly reduced rate!

Looking forward to hearing from you shortly!

Sincerely,

Emil Chynn, MD, Owner
